*Employment Exchanges*

* 146 Q.—SRI K. S. ABDUL WAHAB: Will the Hon. the Chief Minister be pleased to state—

(a) the number of persons employed from amongst the graduates and other diploma holders who were enrolled in the Office of the Employment Exchanges in the State during 1964–65; and

(b) the number enrolled in each category?

THE HON. SRI M. BHAKTAVATSALAM: (a) & (b) During the year 1964–65, 8,722 graduates and 2,381 diploma holders registered themselves in the Employment Exchanges in the State. Of these, 3,273 graduates and 539 diploma holders were placed in employment.

SRI K. S. ABDUL WAHAB: May I know, Sir, how many continued the registration in spite of not having obtained employment and how many discontinued the registration?

THE HON. SRI M. BHAKTAVATSALAM: Sir, I do not have the particulars with me now, and if the hon. Member will put a separate question, I can give him the information.

DR. H. V. HANDE: May I know, Sir, what types of jobs are directly filled in and what types of jobs are filled in through the Employment Exchange?

THE HON. SRI M. BHAKTAVATSALAM: Sir, that is a general question. In respect of jobs for which they have the aptitude and for which they are qualified, they will be put in if they are on the registers. All those who seek employment are registered in the Employment Exchange and whenever there are jobs coming in which would suit them, they are intimated about these jobs. Sometimes they accept the jobs and sometimes they do not. If they accept the offer, they are employed.

DR. H. V. HANDE: Are all the jobs filled in through the Employment Exchange?

THE HON. SRI M. BHAKTAVATSALAM: Generally employment is made only through the Employment Exchange.
